

BOARD ASSESSMENT

How well do you know your Board’s strengths and weaknesses? Take the Atrium Advisers Board Assessment to find out.

Simply check the appropriate box based on how well you agree or disagree with the statements below. Then contact us at 856-599-8742 or email Kartik@AtriumAdvisers.com to start the conversation.

Statement	Yes	So-So	No
Each of our Board members carries his or her own weight.			
Each of our Board members knows exactly what is expected in terms of time, money, making connections, and other contributions.			
Each Board member is an outstanding steward of our mission and values.			
Each Board member is aligned with our strategic direction and plan.			
Our Board provides appropriate financial support for our organization.			
Our Board provides appropriate financial oversight for our organization to make sure that it remains financially strong.			
Our Board makes sure that we remain in compliance with all legal compliance requirements and that manage risks—including personal liability of Board members—appropriately.			
Our Board does an excellent job selecting, managing the performance of, and determining the compensation of our chief executive/executive director.			
Our Board does an excellent job managing meetings and other logistics involved in running the Board.			
Our Board manages conflict of interests among Board members with integrity.			
Our Board makes decisions effectively and efficiently.

BOARD ASSESSMENT

Statement	Yes	So-So	No
Our Board recruits and on-boards members effectively.			
The make-up of our Board reflects the appropriate level of diversity.			
The make-up of our Board reflects the skills we need to achieve our vision and current strategy.			

If you answered “No” or “So-So” to even one of the above statements, we should talk. Contact us at 856-599-8742 or email Kartik@AtriumAdvisers.com. The risk of not taking action can be significant, because a sub-optimal Board can keep you from achieving your mission and also lead to conflicts and even liabilities to your organization. Take action now, because a conversation costs you nothing!
